

# Ozone Therapy - Product Listing

## Ozone Therapy Device

**R9 400.00**

Ozone concentration: 99mg/L at 1/32 L/min oxygen; available for rectal and vaginal therapy and making of ozone drinking water; Built-in: cooling fan; ozone module; LED indicators with oxygen inlet connector and ozone outlet, connector OD 5mm; Driving voltage: 12 VDC (need 100-240 V AC)

## Mini Ozone Generator

**R10 350.00**

Destructor; Ozone concentration: 10 - 104mg/L; oxygen input: 1/32 - 1 lpm; available for rectal and vaginal therapy and making of ozone drinking water etc; Built-in: 3 levels ozone module; built-in ozone destructor, LED indicators, cooling fan, Connector: luer lock; Input voltage: 100-240 V AC 50/60 Hz to 12 V DC

## Double Quartz Ozone Generator

**R17 250.00**

Oxygen input: 1/32 - 1lpm; Built-in double quartz electrode ozone cell; built-in ozone destructor; Input voltage: 100-240 V AC 50/60 Hz to 12 V DC

## Non-return Valve

For air flow:  $\leq 5$ L/min

**R30.00**

High quality valve

**R90.00**

## Male Luer Connector

**R58.00**

5/32" fit for silicon hose with 4mm inner diameter

## Female Luer Connector

**R50.00**

5/32" fit for silicon hose with 4mm inner diameter

## Female Luer Connector Wall Mount

**R90.00**

Wall-mounted version with nut for locking

## Y-shape Plastic Connector

**R50.00**

Size: for 7x4mm silicon tubing

## 2-way Connector

**R172.00**

One end with 5/32" male luer,  
another end with 5/32 female luer

## 3-way Connector

**R195.00**

Two ends with 5/32" male luer,  
one end with 5/32 female luer

## Silicon Tube

Wall thickness: 1.5mm 7x4; Color: transparent;  
Material: silicon; ozone-resistant

**R80.00**  
per metre

Wall thickness: 2mm 8x4; Color: transparent;  
Material silicon; ozone-resistant

**R95.00**  
per metre

## Stone Diffuser

**R20.00**

Plastic mouth dia. 5.4mm; Material: sandstone

## White Stone Diffuser

**R40.00**

Plastic mouth dia. 5.4mm; Material: white sandstone

## Oxygen Tank Regulator

**R1 265.00**

(For use on MEDICAL oxygen tanks)

Regulate the flow of oxygen from the tank into the ozone generator; 1/32 l/m - 4 l/m; Maximum pressure - 3,000 PSI; Barb Outlet

### Oxygen Tank - 3 litre

**R4 715.00**

3 litre oxygen tank with medical tap  
Suitable for use with oxygen tank regulator

### Syringe

60 mL/CC; luer lock

**R20.00**

100 mL/CC - Glass; luer lock

**R680.00**

### Luer Lock Short Needles

**R15.00**

Luer lock connection; Needle length: 1/2 inch;  
Needle size: ID 1.2mm; OD 1.64mm

### Luer Lock Catheter

**R60.00**

Fr 12 size; with 2 eyes at the tip with luer connector  
single package for medical use

### Ozone Destructor for Ozone Therapy **R1 300.00**

Standard luer connector

### Ozone Bag for Limb Wound Treatment

**R900.00**

With bag adaptors (2 connectors & 2 bags)

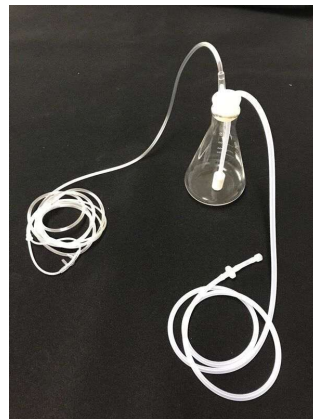

### Ozone Bag for Insufflation

**R350.00**

With 3 chambers: 200ml, 400ml, 750ml with luer connector

**Insufflation kit**

**Olive oil breathing kit**

**Ozonide breathing kit**

**500 ml - R560.00**  
**1000 ml - R600.00**

**Ozonated water kit**

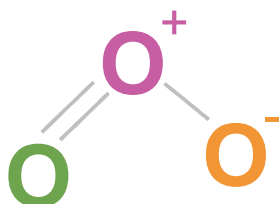

**Price on request**
